Address: Bijoy 24 hall, Khulna University, Khulna-9208

Career Objectives

To leverage my academic background and technical skills in environmental science, GIS, and research to contribute effectively to sustainable development, data analysis, and communication. I aim to drive impactful solutions by collaborating with diverse teams, applying innovative methodologies, and fostering informed decision-making processes in areas such as environmental management, community development, and global sustainability initiatives.

Professional Experience

Coastal Livelihood and Environmental Action Network (CLEAN)

- Research Officer (Full-time) August 2025- Present** • Lead the design, implementation, and evaluation of research projects in the energy and environmental sectors. • Present organizational motive in Different national and international program such as “Bangladesh Energy Conference 2025” and describe the current situation of the Energy sector based on our research. • Perform as Author and co-author in research papers, technical reports, and policy briefs for national and international audiences.
- Appointed as a Rapporteur and Prepare National and International Program Report Such as “Regional Infrastructure Monitoring Alliance (RIMA)”
 - Conduct advanced spatial and statistical analysis using ArcGIS and other tools.

Research Intern February 2025 – July 2025 • Supported data collection, management, and preliminary analysis for the preparation of power plant status reports. • Utilized ArcGIS to create detailed site analysis maps and basic spatial data visualizations for project teams. • Drafted case stories and research summaries based on field insights and secondary data review. • Assisted in organizing national and international programs, workshops, and stakeholder meetings related to sustainable energy initiatives.

Academic Credential

- **Master of Science in Environmental Science January 2025 - Pursuing** Environmental Science Discipline, Khulna University, Bangladesh
Result: 3.50 out of 4.00 (Thesis Term)
- **Bachelor of Science in Environmental Science. January 2020 -December 2024** Environmental Science Discipline, Khulna University, Bangladesh
Result: 3.69 out of 4.00 (77.80%)
Modules: Meteorology in climate change, Remote Sensing and Geographic Information System, Water Resource Planning and Management, Natural Resource Managements, Environmental Modelling.
- **Higher Secondary Certificate Examination (HSC) Rajshahi, Bangladesh Board of Intermediate and Secondary Education, Rajshahi. Passing Year: 2019 Group: Science**
Result: GPA 4.67 out of 5.00

Research Experience

M.Sc. Thesis - National Science and Technology (NST) Fellowship 2025–26 January 2025 - Ongoing Spatial Distribution of Heavy Metal Using a GIS-optimized Sampling Framework at the Rajshahi City Landfill Site. **B.Sc.**

Research Paper

1. Mehedi, H., & Arman, A.B. (2026). **Electricity Consumption by the Economic Sectors in Bangladesh.** *Coastal Livelihood and Environmental Action Network (CLEAN)*: March 2026.
2. Mehedi, H., & Arman, A.B. (2026). **Electricity Consumption in the Rural Areas of Bangladesh.** *Coastal Livelihood and Environmental Action Network (CLEAN)*: April 2026.
3. Mehedi, H., Reason, S.K., Adhora, S.A. & Arman, A.B. (2026). **Energy Transition in the Election Manifestos.** *Bangladesh Working Group on Ecology and Development (BWGED)*: March 2026.

Personal Skills

Technical Skills

- **Programming Languages:** Python, R
- **Data Analysis:** IBM-SPSS, Microsoft Excel
- **Project Management Tools:** ArcGIS, QGIS, MS Project Management
- **Referencing Tools:** Zotero, Mendeley, EndNote

Training & Certification

- Computer Fundamentals and Office Managements (Microsoft office, Microsoft Excel, Microsoft PowerPoint) EDGE KUCSE Digital Skills Training -Certified by Bangladesh Computer Council (**BCC**).
- Applications of Google Earth Engine (GEE) in Natural Resource Management - Certified by **Khulna University**.
- Professional Training on Remote Sensing and Geographic Information System- Certified by Bangladesh Poribeshbid Society (**BPS**).
- Training on Environmental Management Systems Awareness (ISO 14001:2015)- Certificate Number: AJA EMS-0125-083.
- Basic R- Programming - Certified by **Khulna University**.
- Basic Academic Referencing Use of Tools (Zotero, Mendeley, EndNote) - Certified by **Khulna**

University. Language

- Bengali (Native language)
- English (Academic command in speaking, reading, listening, and writing)

Programs and Achievements:

- National Science and Technology (NST) Fellowship 2025–26 by the Ministry of Science and Technology, Government of the People’s Republic of Bangladesh, securing a merit position of 920.
- Participant in the 2nd International Conference on Environment on “Time for Nature and Natural Resource Management”, that was held during March 02-03,2024.
- Participant in the National Seminar on Awareness Building Campaign on Adverse Impact on Climate Change on 27 June 2024.
- Attend a district workshop on Coastal Crisis Management on 25 and 26 October 2024 arranged by LEDARS (Local Environment Development and Agricultural Research Society)

- Merit Scholarship from Khulna University.
- Champion in 2025 and Semifinalist in 2020, 2022 and 2023 in the Inter-Discipline Volleyball Tournament, under the Environmental Science Discipline Volleyball Female Team, Khulna University.
